## Affordable housing sites could be sold off

FIRST time house-hunters in the Bridport area have been dealt a further blow in their bid to find accommodation.

One of West Dorset's major housing associations is considering selling off land that could be used for building affordable homes.

Magna Housing Association is looking to reduce its debts and has indicated that a number of sites that had been earmarked for development could be sold off.

It is not yet clear which sites, if any, will be sold, but there are already concerns that land on St Swithins Road – which Magna obtained planning permission for last year – could be among them.

Stakeholders and members of the association's residents' panel have strongly criticised the move, which they say goes against Magna's charitable objectives.

And Bridport councillor Ros Kayes, a housing spokesperson for the opposition group on West Dorset District Council, said she was "speechless" at the news.

She said: "West Dorset has one of the lowest building rates for afford-

able homes, with a long-standing requirement to build over 400 properties a year that it has never yet come close to reaching.

"For the district's main housing association to have taken a decision not to build for 10 years is an outrage in itself. But for it to be considering the sale of land earmarked for affordable homes leaves me quite speechless.

"Who will buy this land? Developers seeking to make a profit from land given to Magna from public ownership.

"It is an astonishing and completely irresponsible decision and I sincerely hope the board reconsiders."

The waiting list for affordable homes in West Dorset remains high, with a total of 2,291 families on the register.

In December last year, there were 1,406 people in need of one-bedroom accommodation, 612 families requiring two-bedroomed living space, and 234 looking for properties with three bedrooms.

Members of the residents' panel claim that there is potential to build 240 units of either two- or three-bedroomed

by Jack Dixon

properties.

The panel's chairman, Anthony Preece, said Magna could borrow money to pay off its debts quickly, without selling the land.

He said: "This association is seeking as its number one priority to reduce debt, when its primary

object is to provide housing.

"The board has decided to sell off prime pieces of land, two of which already have planning permission, and which are in areas where there is a desperate current need for affordable homes.

"A housing association

exists to build homes in times of housing crisis, not to sit on profit and consolidate its assets."

Magna's Group Chief Executive Graham Colls insisted no decisions had yet been made, but could not rule out the future sale of assets.

He said: "Magna owns a number of pieces of land, some of which it does not expect to be able

to develop in the foreseeable future.

"Magna has to get the best out of its assets. Magna is therefore reviewing what it ought to do with these pieces of land.

"Clearly, sale of one or more is one option, but there are others. Magna has not decided to sell any land, though it may in the future."

Bus campaign success was 'community effort'

CAMPAIGNERS who fought for months to secure the future of a permanent bus link between Bridport and Yeovil have heralded a "community achievement", after it was confirmed last week that the existing No 40 service would be extended, writes JACK DIXON.

Stranded commuters were facing dramatic changes to their working lives fol-

**SELWYN** Holmes was born in Canada and moved to England when he was just two years old. He grew up in Epsom and went on to complete a foundation course at Wimbledon College of Art and a degree in three-dimensional design from Kingston University.

Mr Holmes owns Dansel Gallery in Abbotsbury with his wife, Danielle, which they opened in 1979 and sells contemporary woodwork. They moved to Eype in 1975 and are still living in the same house with their two children.

## ● What inspired you to follow a career in woodwork?

I MET my wife Danielle at university and we both enjoyed woodwork. Working in wood was a way of making our designs and I didn't want to work in industry. I also really enjoy working in my own workshop in home-grown woodland.

## ● I understand you make wooden 'spirit plaques'. How are they made and where did the idea come from?

THEY are made from laminating dyed veneers and then exposing parts or disassembling then reassembling. They were inspired by a trip back to Canada where the Native Art inspired me, in particular Bill Reid and the Haida Tribe of British Columbia and Alaska. My plaques can be found at Dansel Gallery or at [www.selwynholmes.co.uk](http://www.selwynholmes.co.uk)

## ● What do you do outside of making your plaques?

MOST of my time is spent making stock for the gallery, putting my 'spirit plaque' designs on other items and looking after the small wood Danielle and I planted in 1991. I am a member of Symondsburry Parish Council and a Governor at Symondsburry School, which takes up a little of my time, but I also enjoy researching family history.

## ● If you could choose three people to invite to your dream dinner party who would they be?

I WOULD choose any one of my great grandparents so I could ask them family history questions, Joni Mitchell and Joseph Mallord William Turner, the real founder of impressionism.

# 60 SECOND INTERVIEW

## ● If you won the lottery what would you do with the money?

I WOULD like to think I would give some to local organisations like Symondsburry School, then I would buy a small island with only chosen visitors for company.

## ● If you could start your life over again, what would you be?

I REALLY enjoy what I do, where I live and my family and friends so I would do the same again. The only thing I would change would be that I would want to get to this point in my life sooner, making what I enjoy to make less sawdust!

## Police install CCTV in bid to cut Dr Roberts Close crime

BRIDPORT Police have stepped up their efforts to control anti-social behaviour in the town.

A CCTV camera has been fitted in Doctor Roberts Close – an area officers have been targeting for crime reduction since the start of the year.

Residents had voiced their concerns to police after a flurry of criminal activity was reported in the area, with allegations ranging from drug offences to anti-social behaviour.

The town's Safer Neighbourhood Team has been working with the Raglan Housing Association and Bridport Town Council in a bid to restore order, and the three organisations hope the latest measures introduced will help cut down on crime in the area.

A police spokesperson said: "Earlier this year, the area of Dr Roberts Close was identified as an area that could benefit from the installation of a

CCTV camera system. This was after concerns were raised by residents in that area, both to police and to Raglan Housing Association.

"We have been allowed to bid for this camera, which will aid in identifying perpetrators of any alleged crime or anti-social behaviour, but with the main purpose of increasing public safety in that area.

"We are pleased that the CCTV system is now fitted and operational."

Funding for the camera was provided by the Raglan Housing Association, which said protecting residents was its main priority.

Amanda Lowder, the association's anti-social behaviour officer, said: "Its purpose is to protect residents by acting as a deterrent for anti-social behaviour and also as a tool to be used should any action be taken against perpetrators of criminal behaviour."

by Jack Dixon

Police have been working towards increased

CCTV implementation in targeted areas of Bridport

this year – one of three key priorities identified by officers.

Residents have already been assured that police

are renewing their efforts to tackle shed and garage break-ins, and cyclists have been warned about using pavements.

**HELPING HAND:** Students from Weymouth College gave something back to the community last week and helped volunteer groups in Bridport work on the Community Orchard and Borough Gardens as part of the National Citizen Service (NCS) initiative. The students helped rake and scythe the grass, and helped to make a new flowerbed. Jill Lloyd, chairman of the Bridport Community Orchard Group (BCOG), said: "They all worked extremely hard in very hot weather and the BCOG volunteers would like to thank them for all they contributed and congratulate them on achieving a successful community project". The group, pictured with volunteer Ian Bark, also undertook a project at the youth centre as part of the NCS programme.

## Campaigners celebrate as bus connection is saved

allowing a decision taken by Dorset County Council to stop subsidising First Dorset's No 47 bus link.

And some had begun to organise a lift-share scheme to help those previously reliant on the service to get to Yeovil.

But after last week's unexpected announcement that bus company Damory would run an extended service, campaigners have been celebrating a success for people power.

Andy Pennington, a prominent member of the campaign group, praised a team effort in reaching

such a positive outcome.

He said: "I would like to say a really big thank you to Ros Kayes who campaigned tirelessly alongside Bridport and Beaminster Town Councils.

"Also thanks to the anonymous benefactor and the 3,000 people who signed the petition to save the service – it has been a whole community achievement."

Ignacio Gomez, who had already started giving lifts in his car to fellow commuters before the announcement, added: "A solution to this problem has been delayed for a long time and I am convinced that, without pressure from the community, this would have been just another thing.

"I think people can look at this as an example of how, in these times, we need to take more care of the things that affect society in general.

"There are a lot of other bus services which have been affected and need to be strengthened. Transport in rural areas is a big issue and I cannot see the point of having a huge budget for potholes without bus services."

The 40 bus will now operate six days a week – from Monday to Saturday – and during college holidays, departing from Bridport before stopping at Melpash, Beaminster, Broadwindsor, Mosterton, Misterton, Crewkerne Station, Crewkerne and Yeovil.

Dorset County Council will subsidise peak-time services from Monday to Friday during term-time, with Damory funding off-peak journeys on week-days and all day on Saturday.

County councillor for Bridport Ros Kayes, who played a key role in discussions throughout the process, said: "Damory has been very forward-thinking and it was totally unexpected to get everything we asked for. The campaigners have been a great set of people to work with and they really deserve to have their bus back."

## Electoral arrangements finalised

THE independent Local Government Boundary Commission for England has published its final recommendations for new electoral arrangements for West Dorset District Council.

The publication follows a ten-week public consultation on its draft proposals and draws new boundaries for each council ward across the district.

The commission's final recommendations propose that West Dorset should be represented by 42 councillors in the future, six fewer than the current arrangements.

The recommendations also propose that those councillors should represent ten single-member wards, ten two-member wards and four three-member ward across the district.

Max Caller, commission chairman, said: "We are extremely grateful to the people of West Dorset who took the time and effort to send us their views. The commission considered every piece of evidence it received before finalising these recommendations."

"Across the district, we have sought to balance the views expressed to us by local people with the criteria we

must apply when we are deciding on new electoral arrangements. As such, we believe these recommendations deliver electoral equality for voters as well as reflecting the identities of communities across the district."

In light of feedback received during the public consultation, the commission proposes to alter the draft recommendations it put forward earlier in the year.

In particular, the commission now proposes that the parishes of Chetnole and Stockwood should be part of the Yetminster & Cam Vale ward and not the Frome Valley ward as previously proposed.

Elsewhere in the district, the commission proposes to make minor alterations to its draft recommendations in Dorchester to provide stronger and more identifiable ward boundaries.

The proposed new arrangements must now be implemented by Parliament. A draft order – the legal document which brings into force the recommendations – will be laid in Parliament in the coming months. The draft order provides for the new electoral arrangements to come into force at the council elections in 2015.

## Have your say on Local Plan changes

RESIDENTS across West Dorset, Weymouth and Portland are being asked for their views on the latest modifications to the draft joint Local Plan.

A public consultation will run from July 31st until September 11th, so comments can be made about the changes.

The councils submitted the plan to the Government's Planning Inspector in June 2013 and a meeting was held in January 2014 to discuss some of the inspector's comments and concerns.

Both councils agreed to suspend the examination in March 2014 for up to six months to address the issues raised by the Planning Inspector.

One of the main changes is to increase the housing requirement to 775 homes per year across the plan area of West Dorset, Weymouth and Portland.

No new sites are proposed at this time, but instead the plan period is being reduced to 2028.

For a full list of changes and to comment on the plan visit [www.dorsetforyou.com/localplanexamination/west/weymouth](http://www.dorsetforyou.com/localplanexamination/west/weymouth)

The councils would like to hear the views of the public on the latest changes only.

The councils previously consulted on the Local Plan in 2012 and 2013. There is no need to repeat earlier comments as these have been given to the Inspector and they have been considered by the council when proposing changes to the plan.

Councillor Robert Gould, Leader of West Dorset District Council, said: "We have been working hard to address the issues the Planning Inspector raised in January and we would now like to hear the views of the public before the plan is re-submitted."

Councillor Ian Roebuck, Weymouth & Portland brief holder for Environment and Sustainability, said: "We have taken the comments from the Inspector on board when making the latest changes."

The draft Local Plan sets out a long term planning strategy to meet future housing, employment and leisure needs.

It also looks at how climate change can be tackled, the environment protected and how future developments can be

made more sustainable.

It covers important issues such as where housing could be built, how the economy can be boosted and what infrastructure may be needed.

After the consultation the councils will then analyse the results and submit the plan to the Planning Inspector.

The Inspector will then re-open the public examination into the soundness of the plan before it can be adopted.

# Soap stars to open West Bay's summer showpiece

TWO stars from one of Britain's most popular television soaps are coming to Dorset next month.

Organisers of the West Bay Day have invited the actors down to officially open the summer showpiece on Sunday (August 3rd).

Ricky Groves, who also opened the event last year, and Cliff Parisi – known for playing Garry and Minty respectively in *Eastenders* – will be swapping Walford for West Bay as they join in with the fun on the coast.

Mr Groves, who recently appeared in *Strictly Come Dancing* and ITV's celebrity diving show *Splash*, said: "West Bay is a wonderful place and I am really looking forward to coming back."

"The harbour, beautiful beach, dramatic cliffs and lovely countryside make it a great place to visit and I might even get in a spot of fishing."

Live music, children's activities and refreshments will be available throughout the day and for motor enthusiasts there will be a display of clas-

sic cars on the seafront.

Community stands and a display detailing the resort's wartime history will also be along the seafront and esplanade.

During the evening, the pier will be lined with candles, which will be available to buy throughout the day, and will be open for candlelit walks at 9:15pm.

The event – jointly organised by Gillian Summers, chairman of West Dorset District Council, and West Bay harbourmaster James Radcliffe – will raise money for the Royal National Lifeboat Institute (RNLI) and the Weldmar Hospicecare Trust.

Councillor Summers said: "This will be a great day that celebrates all that West Bay has to offer and it is not too late for any community groups to register to have a stand and raise money for their own good cause."

"Also, be sure not to miss the 'surprise spectacular' at 10:15pm, which will be best viewed from the West Pier."

STUDENTS got a taste of life as a doctor during a special two-day course at Dorset County Hospital (DCH).

The hospital's education centre ran its first "Introduction to Medicine" course for youngsters from local schools who are interested in pursuing a career in medicine.

Students got the chance to take part in practical demonstrations and listen to talks by medical staff about their specialist areas and their expe-

riences of medical training.

DCH's Head of Education, Learning and Development Tina Jackson said the students got a great deal out of the course.

"The students heard first hand from consultants and junior doctors about what to expect from a career in medicine and took part in hands-on demonstrations," she said.

"They were also given valuable practical advice about the process of applying to medical school."

"The feedback we had from the students showed that they really enjoyed the course and found everything they learnt extremely useful."

"We are looking forward to making this an annual event."

Dates for next year's course will be sent to schools early in the New Year. In the meantime, if schools or careers leads would like more information they can contact Medical Education Manager Judy Crabb on 01305 255258.

Advertiser's Announcement

## The future is Futurum – A change for the positive

JOHN Scott, MD of Puragen, the renewable energy systems provider based in Poundbury near Dorchester has announced that following over two years of trading successfully in the renewable energy sector within its original franchise set-up, it has now made the step to stand alone from the Group that founded the concept.

John Scott, Managing Director said 'We are delighted to state that as of the 1st August 2014 Puragen will change its name to Futurum Renewable Energy Systems. The name Futurum has been our official company name since inception but as a franchise we have traded under the Puragen brand.

The last 2 and a half years have been a great journey for me and my team here. It has been a time in which we have continued to grow into what is now a national company. This year we have successfully pushed our boundaries and have installed and carried out work right across the UK.

In fact, we have recently returned from installing a number of commercial biomass boilers in Scotland in the hills near Perth and

we are set to do more there too. It is also likely that we will be project managing installations overseas this year as well as building our local business base in Dorset and Somerset which remains crucial to our company.'

Sales and Marketing Manager Mark Blunden added 'We have been busy re-branding under our new Futurum logo which retains the distinctive blades. Though we are changing the logo and trading name our business plan and goals remain and we will continue to ensure our work is carried out to the highest standards. We are proud of our reputation as a high quality installer with first class business ethics.'

Futurum first traded under Puragen which was part of the Ascertiva Group who also owns the familiar brands NICEIC and NQA and is in turn owned by a charity the Electrical Safety Council (ESC). Futurum will continue to carry out repair and maintenance work for the Ascertiva Group and NICEIC.

# Brewery serves up a cash boost for Bandits

BRIDPORT brewery Palmers have moved into top gear to help a local motorsport club take part in a national competition.

Palmers dipped into their community fund and dished out a donation of £500 to the Bridport Bandits, as part of the company's ongoing efforts to support local organisations.

And the boy racers will soon be ready to start their engines at the National Autograss Championships, taking place in Newport next month.

Club chairman Stuart McKenzie said: "This year we hope to compete in five rounds of the event,

which is held at venues across the country.

"Palmers' donation will enable us to represent Bridport at the junior championships – a two-day event at the Magor Raceway in Newport."

The brewery supports local charities and initiatives with cash awards twice a year, and its latest efforts aim to get the wheels in motion for the Bandits' bid for victory.

Darren Batten, head brewer at Palmers, said the club was a valuable outlet for young people in the Bridport area.

He said: "Palmers is delighted to be supporting the Bandits."

"They are a brilliant volunteer-led organisation that has been involved with the youth of Bridport for over two decades.

"The Bandits is great for young people to learn life skills and enjoy motorsport in a safe environment, and the organisation is also an avenue for youngsters to make their way into the automotive trade – more than 20 previous members have gone on to work in the industry."

**ON THE AIRWAVES** | Local garden centre Groves Nurseries has offered its support to Bridport Arts Centre's radio project – Bridport FM – by lending organisers a summer house and shed to use during the week-long broadcast in September.

The temporary station is building up to a week of special programmes to be broadcast live from the arts centre

forecourt – and the volunteer DJs will be riding the airwaves from the comfort of their own studio.

Kate Wilson, the arts centre's learning co-ordinator (pictured with Charlie Groves of Groves Nurseries), said the shed will be the base for all of Bridport FM's behind-the-scenes "technical wizardry".

The theme of this year's lottery-funded project focuses on

Bridport's cultural history, and organisers are currently appealing for volunteers to step forward and offer their services behind the decks.

Live programmes will be broadcast for a week from September 15th between 9am and 9pm daily and streamed via the arts centre website.

For more information and to volunteer, contact Kate Wilson at [kate@bridport-arts.com](mailto:kate@bridport-arts.com)

# Artists celebrate success at exhibition

SOME of Bridport's top artists have pooled their creative talents to put together another colourful exhibition, opened to the public last week.

Members of the town's art society, and their specially invited guests, packed the Allsop Gallery at Bridport Arts Centre to showcase almost 300 entries from budding artists in the local area.

Society chairman Ann Martin said: "The display featured a total of 280 entries this year and with our

new hanging team and hard-working committee, our annual exhibition is proving to be a success.

"The standard of the entries is particularly high this year and a great majority of pieces are for sale. The exhibition is very vibrant and light-hearted and we hope lots of people come to see it."

The exhibition runs until Saturday August 2nd and is open from 10am to 4pm, Tuesdays to Saturdays.

Proceeds from the painting sales go to the society and some paintings have been donated with proceeds going towards 'The Flag', a charity raising money to help the victims of the Somerset flooding.

## Bells to mark WWI 100th anniversary

BRIDPORT residents are being invited to take part in a candlelit vigil and bell-ringing event to commemorate the centenary of the outbreak of World War I.

The 'Lights Out' event is being promoted by the Royal British Legion to mark 100 years since the conflict began, and bellringers at St Mary's Church will be among thousands across the country taking part in special commemorations.

Mayor of Bridport Councillor Maggie Ray will be in attendance at the war memorial in South Street on Monday, August 4th at 10:30pm for the vigil, before the bells ring out at 11pm.

## Lifeguard rescues greedy seagull

A WEST Bay lifeguard amazed an audience of sea-side visitors last week, after swimming half a mile out to sea to rescue an injured seagull.

The gull bit off more than it could chew when swooping down to snatch a fishing rod from the hands of a child, but the quick thinking of the lifeguard enabled it to escape unharmed.

Sean Hermon, who witnessed the incident, said: "I was fishing with my son when this gull swooped down and dragged his rod into the water.

"It flew off but was clearly in distress with a hook lodged in its beak, and the lifeguard jumped on his board and went straight after it.

"He was in and out in less than 15 minutes – it was an amazing thing to see and well done to him."

# West Bay raft race pulls in

HUNDREDS of holidaymakers were among those who lined the River Brit in West Bay last week to watch the annual RNLI Raft Race.

A total of 16 teams took to the water in their handmade rafts, dressed from rock stars and the Incredible Hulk to Hawaiian hula dancers and gorillas.

The Motorwell Mitsubishi and Fiat team took the title for a second year in their 'Italian Job' raft and claimed the Eric Hamblett Trophy.

by Lottie Welch

'Oscar's Wine Bar' from Crewkerne came home in second with their swan-themed raft, but were later disqualified, leaving the runners-up prize to 'Rowes Rafters' in their 'Milly's Revenge' entry.

The Pearce's Paddle for the most entertaining raft went to Bridport Round Table – who entered a Lego-themed raft – for managing

to capsize before making it into the river, much to the amusement of onlookers.

And the George Hotel Cup for the best-dressed team was awarded to the Picnic Grands team from Sherborne for their 'Jolly Jam Sandwich' raft.

Peter Hopwood, commentator and RNLI member, said: "Once again the Raft Race had a tremendously encouraging turnout, especially considering it clashed with

the red arrows at Lyme Regis.

"We could not have managed it without the help of professional divers and lifeboat crews who were out on the water for the dura-

tion of the event."

The George Hotel sponsored the event and provided live music from Shelby's Elbows and the Vinyl Monkeys to end the evening.

The event is organised each year to raise money for the RNLI and the next Bridport branch of the RNLI event will be the Fun Day on Sunday, August 17th at West Bay.

# Shipton Gorge at War – from village life to the front line

**TO MARK the 100th anniversary of the start of World War I, ERNIE THOMAS, local historian and volunteer researcher at the Keep Military Museum in Dorchester, tells the personal stories of Shipton Gorge's war heroes, many of whom made the ultimate sacrifice in the fight for freedom.**

Britain entered the war on August 4th 1914 and soon patriotic young men flocked to recruitment centres, anxious to serve in a war which many believed would be over by Christmas.

One such man was **Will Sanders**, pictured below, who lived at Vine Cottage in Shipton Gorge. He joined many other eager young recruits and enlisted in the Dorsetshire Regiment.

There followed an intensive period of training after which he was sent to the West-

ern Front as a Private in the 1st Battalion in December 1914, joining the Dorsets in the front line trenches near the Belgian town of Ypres.

After five months of trench warfare, he was in the front line at Hill 60, near Ypres, where on the evening of May 1st 1915, the Germans launched a gas attack on the unsuspecting Dorsets.

Private Sanders died on May 2nd, aged 21, along with 150 members of his Battalion.

His name is inscribed on the Menin Gate, a memorial to over 54,000 men who died in the Ypres Salient and have no known grave. Will's twin brother Harry served with the Royal Marines and survived the war.

**Reginald George Stevens**, pictured right, was the son of Richard and Kathleen Stevens of Higher Sturthill Farm in Shipton Gorge. He was another volunteer who enlisted in the Dorsetshire Regiment.

Sent to Gallipoli on July 11th 1915, he survived that costly campaign and returned to serve on the Western Front.

He was killed at the age of 25 on September 17th 1916 near a German stronghold called Mouquet Farm.

Reginald is commemorated on the Thiepval Memorial to the Missing of the Somme, which bears the names of more than 72,000 officers and men.

Another Shipton Gorge man, **Ernest White**, whose family lived at Bonscombe Farm, was a Sapper with the Royal Engineers and went out to France with the British Expeditionary Force (the 'Old Contemptibles') in August 1914.

Described as being a great favourite in the village, he was involved in much fighting over the ensuing years but his letters from

the front were always bright and hopeful.

He last wrote home on April 21st 1917 to say he was then going into the thick of it again – a reference to the Battle of Arras in France that had started on April 9th.

Ernest was killed at the age of 28 by a shell, the day after he wrote his letter. He is commemorated on a memorial panel at London Cemetery, Neuville Vitasse, near Arras.

Ernest's parents, George and Ellen, had a memorial tablet placed in St Martin's Church, Shipton Gorge, bearing the moving epitaph: "His sun is gone down while it was yet day."

Ernest's brothers, who survived the war, were Fred, who served with the Royal Field Artillery; Alfred, who was in the Royal Navy as was his brother Samuel; and William, whose war service is not known.

**John William Gale** (known to his family as Jack) was the son of William and Mary Gale, who at the time of his death lived at Greenway in Chapel Street.

The 1911 census shows Jack as living at the New Inn in Shipton Gorge with his family. He first joined the Dorsets but did most of his fighting with the Duke of Cornwall's Light Infantry.

Three years' fighting in France – where he was twice wounded, once buried in his trench and once gassed – shattered his constitution.

He was invalided out on March 14th 1918 with an honourable discharge, but although nursed at home by his mother and sister he passed away peacefully on March 19th 1919.

His funeral took place at St Martin's Church and his Commonwealth War Grave in the churchyard remains a focus of village

remembrance on Remembrance Sunday services to this day.

Jack's brother, Thomas, served with the 6th Battalion of the Dorsetshire Regiment and survived the war.

● A COMMEMORATIVE service will be held at St Martin's Church in Shipton Gorge on Sunday August 3rd at 11am, during which the village will remember and give thanks for all who served their country in the Great War.

All are invited to join the service and watch a candlelight vigil at 8:30pm the following evening, inspired by the words of the then Foreign Secretary, Sir Edward Grey, spoken in August 1914: "The lamps are going out all over Europe; we shall not see them lit again in our lifetime."

# Fundraiser Helen takes leap of faith for MS

A CHARITY fundraiser from Bridport is preparing to take a leap of faith in a bid to get one step closer to a cure for her mother's debilitating disease.

Helen Wrixon, 23, is in the final stages of her fundraising efforts for the MS Society and will be jumping thousands of feet from the side of a plane in an attempt to

drum up extra cash.

Helen has already been hard at work crafting and baking at community events in the Bridport area and has sold on odds and ends at car boot sales to raise the money.

She has had to fit in her fundraising around a full-time job and many other commitments, but has pledged to do all she can to help her mother.

Helen said: "My mum has progressive secondary MS and has been unable to live at home for over four years. This disease has affected so much of my family's life,

and watching it take hold from a young age is no easy ride. I am only too aware how hard and cruel this disease is for her and everyone else fighting this monster."

The MS Society is the UK's largest charity dedicated to people affected by multiple sclerosis.

It funds vital research and offers invaluable information and support to people affected by the condition, which can impact on a person's sight and mobility and lead to depression and cognitive problems.

An estimated 100,000 people in the UK have MS, but experts remain uncertain

about its causes and there are few effective treatments.

Ahead of the skydive on Sunday, August 10th, Helen added: "There are so many people who are affected by MS and it is a horrid disease that acts in strange ways – everyone is affected differently. What you have to remember is that every cloud has a silver lining. I know research has already made big differences and one day I hope that there is a cure so no one else has to be affected like this."

To donate to Helen's appeal, visit [www.justgiving.com/Helen-Wrixon1](http://www.justgiving.com/Helen-Wrixon1)

The summer pick-up service will be in operation on Wednesdays and Saturdays until September 10th, with buses running from West Bay Road car park to the Spar shop in East Street every 20 minutes during the day. Councillor Ray, pictured (centre) with bus drivers Edwina Osment and Dennis Barkley, said: "Visitors can take a pleasant bus ride into town, avoiding the hassle of the town centre parking and also helping the environment by reducing traffic pollution."

## Experts amazed by appearance of 'shy' fruit

■ Abbotsbury Subtropical Gardens curator Steve Griffith said he was "amazed" to see loquats fruit for the first time

HORTICULTURALISTS have been left baffled after a rare Mediterranean fruit sprang up in West Dorset for the first time ever.

Loquats – known as the 'shy' fruit – emerged at Abbotsbury Subtropical Gardens last week, following an extended spell of hot weather.

The rare fruit first came from south east China, but is now mostly grown in Japan, Brazil and Mediterranean countries where the climate is more suitable.

But experts say they were as surprised as they were delighted to see the loquats pop up recently.

Steve Griffith, curator at Abbotsbury Subtropical Gardens, said: "Loquat trees are mostly grown in this country just for their foliage.

"They are very, very shy to flower and fruit because we do not really have long, hot summers.

But this year it has produced some fruits for the first time."

Staff are celebrating the gardens' 250th anniversary this year, with a vast number of exotic plants from all over the world on show to visitors. And the new loquat fruits will be among the many attractions at the gardens this summer.

Mr Griffith added: "Many of our plants are doing spectacularly well this year, but it was still a real surprise to walk past and see these big orange fruits.

"That is one of the great things about a garden like this. Very often we will put a rarity in some odd corner and nothing interesting will happen for years, but then suddenly you will see something amazing.

"I only wish there were more loquats and we could harvest enough for a picnic!"

# Slimmers ready for cancer trek challenge

SOME of Bridport and Beaminster's weight-loss heroes are teaming up to take on a special 'Race For Life' walking challenge, in a bid to raise money for a leading cancer charity.

Members of the two towns' Slimming World groups will be trekking seven miles from the town square in Beaminster to Bucky Doo in Bridport this weekend, and are calling for volunteers to take part alongside them. The slimmers hope to raise hundreds of pounds for Cancer Research UK – the weight loss organisation's charity partner for this year.

And walkers are calling on local people to join in as competitors or spectators to help with the fundraising appeal.

Becs King, who runs two of the Slimming World groups, said: "We would love anyone in Beaminster or Bridport to join us whether they are young, old, male or female and whatever their current fitness level.

"Hopefully the event will show people just how motivating being part of a group like ours can be."

Slimming World is aiming to raise awareness of the benefits of an active lifestyle in improving health and reducing the risk of developing life-threatening conditions.

And volunteers are being invited to cover any distance they like – walking, running, cycling or skating across the finish line.

Becs King added: "One in three

people in the UK will be diagnosed with cancer in their lifetime, and research has shown that many types of cancer are more common in people who are overweight.

"Cancer touches so many people's lives and at Slimming World we are determined to do anything we can to help people lead healthier lives in

whatever way possible."

## Community pays its respects to Sir John

HUNDREDS of well-wishers paid their respects to popular community figure Sir John Colfox at a packed funeral service held in Symondsburry last week.

Family and friends were joined by residents of the village on Wednesday (July 23rd) to pay tribute to Sir John, during a service at St John the Baptist Church.

Formerly the chairman of governors at the Bridport school that now bears his name, Sir John died at his family home in Symondsburry earlier this month.

Relatives led the tributes,

praising a "popular and modest man", who loved the countryside and cared deeply for the land and local wildlife.

Though his family line was forever attached to the school, his long list of contributions to the community stretches beyond education to include service in the Royal Navy, work as a local magistrate and district councillor, as well as a period in the prestigious post of High Sheriff of Dorset.

Sir John survives his wife Frederica, his five children, Philip, Edward, Charlotte, Connie and Victoria, and 17 grandchildren.

# Volunteers key to advice centre success

VOLUNTEERS at the Bridport and District Citizens Advice Bureau (CAB) have received special certification after com-

pleting a six-month course.

The group of trainees, known as 'gateway assessors', are now fully equipped to

by Lottie Welch

understand a person's needs and develop their knowledge about services on offer.

Training Supervisor Sue Ramage said: "Bridport CAB relies almost totally on volunteers to provide an advice service to people living in Bridport, Beaminster, Lyme Regis and the surrounding area.

"They have worked extremely hard to achieve certification and are now working one day a week in the bureau office providing an invaluable service to the community as, without them, this service

would not be available."

Mrs Ramage also appealed for more people to come forward and volunteer their time to help maintain and expand the service, which is celebrating its 75th anniversary this year.

Last year alone, the CAB helped 3,000 people resolve more than 6,000 issues on subjects as varied as debt, benefits, homelessness and family problems.

And local councillor David Tett, who is a trustee on the CAB board, also sang the praises of hard-working volunteers.

He said: "The work that the Citizens Advice Bureau does and the service it gives

are as necessary and essential today as it was all those years ago. In fact, one might argue, more so.

"The Bureau is a charity. It is not funded by central government and relies very heavily on dedicated volunteers to fill a gap in society in providing free and confidential advice to everyone who needs it.

"In celebrating the 75th birthday of the Citizens Advice Bureau, I hope the service it gives will continue to be supported by everyone – who knows when we ourselves might need it?"

## History group go back to World War I

BRIDPORT residents are being invited to take a trip back in time to see what life in the town was like a century ago.

A special 'study day' has been organised by local history group the Bridport Heritage Forum, as part of its lottery-funded 'Keep the Home Fires Burning' project.

A series of informative talks and workshops have been lined up to give visitors a flavour of Bridport life in the early 20th century, at the outbreak of war.

The forum's Jane Ferentzi-Sheppard said: "For many of us, this was a period of history we did not cover at school, so our knowledge of what was really happening in the months leading up to the war is limited.

"To set the scene, the forum has managed to get a really great group of speakers to come to the town and give us background information, both social and military."

Professor Graham Davis will begin the day with a talk on British life in 1914, before a closer study of the Bridport community immediately be-

fore the war.

Bridport men joined the local regiment – the Dorsets – in their hundreds, and ex-officer Tim Saunders will be on hand to describe what life was like for the servicemen.

There will then be a chance to see inside a Tommy's kit bag and handle the uniform and equipment he took with him.

Local antiques specialist Alan Beadle has also been lined up to talk residents through some of the relics and souvenirs that soldiers brought back from the front line.

Jane Ferentzi-Sheppard added: "There will be plenty of time to discuss the topics after each session, several of which are very practical.

"Someone will be dressing up as a 'Tommy' and there will be a chance to see the equipment and spoils of war first hand."

The event takes place at Bridport Town Hall on Saturday (August 2nd), at a cost of £10, and booking forms are available from the Tourist Information Centre, the History Centre in Gundry Lane and The Book Shop.

# Dower House Hotel

## *The friendly, family-run hotel is the 'in' place to go for those in the know*

**L**YME Regis has a new No.1 hotel – since new owners took over the splendid 'baby grand' that is Dower House at Rousdon it has gone straight to the top of the charts as discerning visitors' favourite place to stay near the town.

Although not yet as well-known as other Lyme hotels, Dower House has become the 'in' place to go for those in the know, who are saying that staying in the

elegant splendour and sumptuous comfort of the 11-bedroom mansion is 'like living the life of Gatsby'.

That's just one of the shower of compliments on Trip Advisor that Neil and Rosemarie Baker have received since March, when they bought the enchanting stately pile that was built by the aristocrats of the Peek family in the Victorian era when the baron needed a fine home for his dowager mother-in-law.

Dower House retains all of its aristocratic beauty still; four poster beds, chandeliers, huge sweeping lawns for croquet, magnificently-arcadian views, an

open-air pool and a select seclusion; close enough to Lyme for all conveniences but sufficiently set back from it to give the exclusivity that its urbane guests prefer.

Movie producers, famous actresses and one of the moment's bigger TV stars have all discretely booked a stay at Dower House and this is where the Hix and River Cottage dining set choose when looking for a genteel yet cosmopolitan retreat during the autumnal and winter trips to Lyme that are becoming so popular with the increasing numbers of sophisti-

cated young professionals now seen about the area.

'Dower House is not the biggest hotel in the area but it has all of the grandeur, it's a rather wonderful baby grand,' said Neil, 'We set out to provide our guests with bespoke hospitality, from the home-made cream teas to the best bed linen and we are delighted that this personal touch has so pleased so many who stay here.'

And please them it does – a remarkable 83% of recent guests have ranked it No.1, Lyme's top hotel in the Trip Adviser ratings.

Just last week a guest from Madrid wrote the following rave review of Dower House which is typical of the praise being piled on the Baker family who all work at hotel which has won further acclaim for its exactly-as-you-like-it breakfasts, private dining, the rarity of ample parking and dog-friendly ease:

'We spent a perfect few days at this hotel. Neil and Rosemarie did everything to make our stay easy and luxurious. We often ate in and we were delighted by the high quality food. The hotel is beautifully-situated with wonderfully-kept lawns and gardens and a private pool. We really thought we were living the life of Gatsby! I would recommend this lovely hotel to absolutely everyone; its location, 5-star quality and the flexibility of the owners make this the best hotel I have stayed at in years.'

The modern rooms are spotlessly-clean, airy and well-equipped and that, tied with the spontaneous, unstuffy welcome are what Neil and Rosemarie insisted upon when they set out to run a hotel the like of which these two former high fliers of business and government would want to stay at themselves.

'We wanted Dower House to have a family feel, both of our children work here with us, but also to be ultra-attentive to each guest's respective requirements,' said Rosemarie. 'Our aim is for every one of them to feel special, whether it be beside the pool or the deck bar in the summer or lounging on the deep sofas around the open fires when autumn draws in.'

And it's not only visitors who are turning to Dower House to be treated. Impressed by the winning combination of the large, glorious grounds and interior exclusivity, local brides and those arranging parties and private functions are booking the hotel that sleeps 30 as the ideal place for their perfect day.

'People are coming here for weddings, christenings and wakes, said Neil, 'we're big enough and yet boutique enough for groups to take over the whole house for events like reunions and anniversaries. People planning private parties at River Cottage are increasingly coming here because Dower House is so close to River Cottage HQ.'

It's quite something to go from scratch to No.1 in less than five months and quite something too for guests to leave praise like 'what a find!', 'wonderful', 'faultless' and 'so hospitable' on the Google guest book. The success story of another great asset for Lyme is just beginning.

# Fate has smiled on sunny Beach

**GEORGE Beach is a very sociable person and is well known in Bridport when he ventures into town.**

Many will know his background as one of the most famous ice-hockey players in the world, but the rest will view him as a friendly, happy go lucky pensioner, enjoying life in rural Dorset. Both would be right.

George, now 88, and his wife Jean, moved to Bridport in 2005 having lived the majority of his life in and around London following a career that saw him move from his native Canada in 1947 to star for Wembley Lions and Wembley Monarchs where he scored over 1,000 goals during a career that spanned 23 years, and earned him a place in the Guinness Book of Records.

His success in the highly charged sport that combines excellent skating and stick handling skills with high physical demands also brought him into contact with many people including royalty, celebrity film and television stars as well as fellow sportsman.

It is no wonder therefore that he is at ease and happy to pass the time of day with people in the town.

George quite rightly is very proud of what he has achieved in the sport, but he is also quite modest about a number of achievements and

commendations known only to his family – his wife Jean and their three sons, Blair, Martin and Lawrence – and close friends.

Although many came about because of his stardom, they were achieved because of his generous nature to give time and support.

I met up with George last week as he reflected on his past, and particularly about the individuals that helped him in his career, and the people he met as a result of it.

He spoke first about how he got the biggest break of his career by being invited to play in Britain.

"Many years ago I left the flat prairies of the region of Regina, Saskatchewan, Canada and departed for a new life in the old world. I thought that maybe I'd be home in two months, ready in time for Christmas with my family.

"At the age of 16 I was good enough to play ice hockey for the Regina Commandos, the wartime team, and later the Saskatchewan champions; and then after the war with the Chicago Blackhawks and the Kansas City Playmors in the United States.

"Then as fate turned out I met a few other hockey players who had played in Europe during the war. I was then introduced to another fellow countryman Mr Red Stapleford who worked for the Canadian Government in London.

"His passion was ice-

hockey, and once again fate turned out for me as in the summer of 1947 I began to get phone calls from London, Milan, Switzerland and several other European countries and ice hockey clubs.

"Finally, after several telephone calls back and forth to England, I was invited by the managing director Sir Arthur Elvin, head of the world famous Wembley Stadium – the most famous and well known sports stadium then in existence – to play for the Wembley Lions.

"I left for Halifax, Nova Scotia and then on the ship Aquitania, which had distinguished itself during the war. The next stop was Southampton, and a new life. I was 20 years old."

Berlin had been bombed and was in ruins, peace was now in England and sports like football and ice hockey were playing to huge capacity crowds.

For George it was the start of a 23-year career which culminated in him being recognised as Wembley's greatest scorer and sportsman, and a household name all over Britain.

George recalls: "In those days, Wembley Ice Hockey had all the glamour of show business; live orchestras and skat-

ing exhibitions by the world's greatest performers such as Canada's World, Olympic and European champion Barbara Ann Scott and USA champion Richard 'Dick' Button, to name two.

"Back then the ice was swept clean with military precision by uniformed men; their brooms going back and forth with martial music to the delight of an audience of 15-20,000 people.

"Royalty, politicians, famous film stars and actors, top footballers, military leaders and many more sporting stars all met and gossiped ring-side where it was possible to have a drink, eat dinner and watch the game, and be seen by the public. Wembley Empire Pool and Sports Arena was the place to be!"

The league ran from September until Christmas, whereupon the Lions went to Europe playing in 17 countries during Beach's career, before returning to the UK at the end of February to complete the league, which ended in May.

"We built up a reputation for fast skating, smooth passing, stick handling and team work, but above all, sportsmanship and fair play"

It was the type of play that made Wembley Lions "a must see team" all over Europe and George Beach a famous name in ice-hockey.

BBC sports commentator Alan Weekes said: "Beach's influence on the early years of ice hockey in Europe just after the war and Great Britain was immeasurable."

As his fame and celebrity status grew, Beach became Wembley's ambassador, meeting some of the world's greatest sporting athletes and celebrities from around the world.

"This included a little known actor who became President of the United States, Ronald Reagan."

The Olympic Games were also held at Wembley in 1948 which created more activity.

He also met five members of the Royal Family who visited the pool and stadium.

"I was fortunate to meet them all: Princess Elizabeth (later to be crowned Queen Elizabeth II), Princess Margaret, the Duke of Kent, the Duke of Edinburgh and Prince Michael of Kent, who gave me his autograph."

Besides his feat of completing 1,000 goals for Wembley in 1968, George has won a host of other awards.

He was from all the ice hockey years from the 1930s until his retirement in 1970, the only player to win the coveted Sir Noel Curtis Bennett Sportsman's Bowl – Wembley's greatest trophy – outright; an award he called "a great honour". He was elected to the British Ice Hockey Hall of Fame in 1989.

He was also the only player to have won all three Great Britain scoring championships: the Autumn Cup, International Cup and National League.

One of the highlights for Beach was when he captained the Wembley Lions in a charity game on December 4th 1952 in aid of the National Playing Fields, after which its president the Duke of Edinburgh thanked them all for such an exciting game.

"I thanked the Duke in response, and wished him and the charity well for the future. A wonderful night never to be forgotten, and am still proud of the medal he gave me," said George.

■ **HAPPY WITH HIS LOT:** George and Jean Beach happily retired in Bridport after a busy career

gotten, and am still proud of the medal he gave me," said George.

"Besides this award my teammates and I have been presented with many medals and trophies by many notable personalities.

"These include Lord Alexander of Tunis, Sir Bracewell Smith, the Lord Mayor of London, 1st Baron Citrine, Mr Bunny Ahearne, the president of the World Ice Hockey Association, Sir Billy Butlin, and Air Vice Marshal Sir

Victor Tait, a Canadian soldier who represented Great Britain at ice hockey in the 1928 Olympics."

George reflecting on our conversation said: "These are just a few of the many who came to see us at Wembley during my career. How could a prairie boy like me be so lucky?"

Despite having played in 17 countries all around the world in his illustrious career, George and Jean are content here in

Bridport. For a boy that grew up in the prairies before spending most of his life in the busiest city in the world, the countryside and ambience of Bridport is just the ticket.

"The coastline to Lyme Regis and beyond is idyllic," he said.

"I have had a truly remarkable career and am forever indebted to ice hockey and Sir Arthur Elvin for making this part of my life possible. Fate has sure been kind to me over the many years."

## Osprey Leisure Centre

### Summer Kid's Club 2014

THIS school holiday Osprey Leisure Centre has programmed the usual variety of popular activities for kids aged 5 -14 years from 21 July through to 2 September on the weekdays but excluding the August Bank Holiday Monday.

This year the leisure centre has teamed up with Portland Red Triangle Cricket Club to run an out-

door session at the cricket ground every Wednesday, times and prices are the same as all of the other activities but a packed lunch is required. This is an ideal chance to play all of the sports that can't be done indoors.

Amongst the usual mix of activity days Osprey is now offering an indoor football academy on Tuesdays and Thursdays which

when added to the half day multi activity sessions on the same day give 2 extra full days from 9am - 4pm which have recently been added to the programme earlier in the year.

Many children love using the inflatable obstacle course during private pool parties but have the rare chance to attend the junior sessions for the over 9's which take place on Tuesdays and Thursdays from 2pm - 4pm for only £3 per child for a full 2 hours.

Now that the Legacy Cafe is open parents have the chance to add a lunch for only £2.50 to the day so another worry is taken away from them.

What better than to give your children the chance to have a great time in a safe indoor environment whilst expending much energy, having lunch, being active and having fun this summer season?

For any further information on the above or the adjacent adverts please feel free to contact the centre on 01305 824378 or visit the centre's website.

## GET CREATIVE IN THE GARDEN

From [www.moneysavingexpert.com](http://www.moneysavingexpert.com)

YOU don't need to splash the cash on the biggest and best swimming pool, swings or slides. There are loads of activities you can get involved with for free, such as:

### Make your own tent or hidden den

Get those tatty and unused curtains, clothes and sheets over a clothes horse and secure them with pegs for an instant tent - Who needs Glastonbury?

### Treasure hunt with small treats

With a few packs of sweets, little toys or another clue, you can bury them round the garden, hang them off tree branches or stick 'em to the fence for your kids to find.

### Mini crazy golf circuit

Find pipes, trays, wood and anything in the garden to make your own mini golf circuit - just make sure you have a set of clubs!

### Camp out and star gaze

If your garden's safe and secure, then why not camp out in the garden and fall asleep star gazing? Hopefully you'll be able to wish upon a star too.

### Turn your garden into a water park

As long as there's no hosepipe ban, let the kids splash around with the hose or a water sprinkler. It's even more fun if they have their friends over.

## The Alleyways Bridport Antiques

**M**ANY companies celebrate being 25, 50, 100 years old. On Friday 1st August we are celebrating being three years young. The antiques, vintage and collectors emporium opened on the St Michael's Trading Estate in Bridport over five years ago but it wasn't until August 2011 that it became known as The Alleyways Bridport Antiques Centre.

Many people said that, during a recession, buying a fledgling business tucked away in a corner of a trading estate in Dorset was

verging on madness but after three years the centre with its 18 traders has spread its wings and grown to house over 45 traders under one very big roof. To our customers, suppliers and traders, thank you, as all this could not have been achieved without your help and support over the last three years.

Thanks also must go to the landlords, Hayward & Co., for their continuing support. The trading estate has been an incubator for businesses for over 40 years and has dedicated itself to start-up and

early-stage companies. The diverse nature of the area has meant that individuals and businesses can thrive alongside each other.

Proof that this works is the growth of the artisan area of the estate. This corner of the estate, now referred to as The Art & Vintage Quarter, has flourished. From its early beginnings over 15 years ago with a just a handful of artists they were joined a few years later with the first antiques and vintage shop. Today The Art & Vintage Quarter has plethora of artists and studios, a wealth of shops selling everything from antiques, vintage, revival and retro; industrial and domestic; clothing, soft furnishings and pictures; collectables of all sorts; an upholsterer, letterpress printer, quilter, milliner, furniture restorer, stained glass artist, mason, sign writer/designer and much more, even a café and restaurant.

At its centre there was a large vacant building. Here an antiques emporium started with about 18 individual traders. Three years ago it became known as The Alleyways Bridport Antiques Centre and now has

over 45 traders with their individual areas allowing them to display their own unique range of products. Here you can find almost anything from the past and if you can't, just ask and you'll be given friendly helpful advice.

The centre, open seven days a week from 10:00am, will take you on a trip down memory lane. Here you have the opportunity to purchase that eye catching objet d'art, a beautiful antique piece of furniture for your home, or that missing item from your personal collection you thought you'd never find. Whether it's train memorabilia, a 17th century armoire, a beautiful framed and signed print or just a piece of kitchenalia from the 1960s, you'll be amazed at what you can find.

The Alleyways has furnished homes, B&Bs, hotels and restaurants, supplied theatres, television and feature films with props and set dressings and even donated and lent items to museums.

If you're just visiting the area and can't take it with you, The Alleyways can deliver. Whether locally or anywhere in the UK, we even have the experience of delivering door to door in Europe, the USA and as far away as Australia.

*“Here you can find almost anything from the past and if you can't, just ask and you'll be given friendly helpful advice.”*

To cap it all, the Art & Vintage Quarter hosts regular open art studio events and the re-instatement of the Bridport Vintage Market held the last Sunday each, makes this area of Bridport a major destination for those who live or visit the West Country. It is, without doubt, one of those hidden jewels that every day is being discovered by yet another new visitor.

Once seen you'll never forget the experience and will definitely want to return.

With a delicious range of frozen meals delivered directly to the front door, Wiltshire Farm Foods is here to help people eat well and look after themselves in their own home, whatever their plans.

Wiltshire Farm Foods' award-winning chefs and dietitians have cooked up a range of over 260 delicious dishes – from breakfast through to lunch, afternoon tea and an evening meal. Each meal is prepared in the Wiltshire kitchens using quality ingredients that are selected from carefully approved suppliers, before being frozen straight-away to lock in the freshness.

Convenience is a big part of the Wiltshire Farm Foods' service. All meals can be ordered over the phone, online or by post. They're then delivered directly to your front door for free by a friendly, po-

lice-checked delivery driver, who is always happy to stack meals away neatly in the freezer.

## Thistlegate House

IT IS the uniqueness of Thistlegate House that sets it apart from all other Residential or Nursing care establishments, and it is this same uniqueness which is carried through to the philosophy of care which recognises that we as individuals are all unique and therefore wish for our care to be provided in a unique manner. This requires excellent understanding and communication from the care team that has been hand picked by the owners of Thistlegate House for their experience, professionalism, qualifications and not least their empathetic caring nature, dedication and excellent communication skills which are vital in providing individualistic care of this nature.

### So why choose Thistlegate House? perhaps:-

For the unique "Arts and Crafts" design which remains virtually unaltered from the original architects vision and therefore maintaining the calm relaxed ambience of a fine elegant country residence.

For the idyllic elevated South facing position of Thistlegate House which affords exceptional views over the surrounding countryside and across to Lyme Bay.

For the four acres of formal, landscaped, natural and kitchen gardens which may well have been originally designed by Gertrude Jekyll and included a terrace wall of open brickwork, a sunken parterre rose garden and pergola.

For the spacious accommodation which is traditionally decorated with soft furnishings that includes bespoke Axminster carpet together with fine bespoke oak joinery.

For the not one but two qualified registered managers with approaching thirty years experience who are also the "live in" owners which ensures that the very highest possible standards of care are maintained at all times.

For the excellent dedicated hand picked care team whose qualities include not only professionalism, qualifications to RGN level but also an empathetic caring nature and excellent communication skills.

For the excellent traditional menus prepared by our professional chefs whose past experience have included preparing evening dinner for high ranking members of our Royal Family.

For the pleasantly surprising fee levels which reflects the Thistlegate House philosophy that the very highest possible standards of care should be available to all.

We believe that Thistlegate House can only be truly appreciated by a personal visit, therefore should you wish to arrange an appointment please contact Mrs. June Webb on 01297 560569.

If getting out and about isn't so easy, let Wiltshire Farm Foods take care of your mealtimes.

## Diagnosing Dementia

DIAGNOSING dementia is often difficult, particularly in the early stages. The GP is the first person to consult. The GP may then refer the person being diagnosed to a specialist consultant.

Assessments can include conversations with the person being diagnosed and those close to them, a physical examination, memory tests and/or brain scans.

The Mini Mental State Examination (MMSE) is the most commonly used test for complaints of memory problems or when a diagnosis of dementia is being considered.

Becoming forgetful does not necessarily mean that you have dementia. Memory loss can be an effect of ageing. It can also be a symptom of stress or depression. In rare cases, dementia-like symptoms can be caused by vitamin deficiencies and/or a brain tumour.

A definite diagnosis of the cause of dementia may only be confirmed at post mortem or, in very rare instances, through a brain biopsy.

A diagnosis of dementia can come as a shock. Even if you have been half expecting it, this will be a worrying and upsetting time. It can also be hard for those close to you. You will all need a great deal of reassurance and support. However, there is much that you can do in the early stages that can help to make life easier and more enjoyable, both now and in the future.

## Bymead House

BYMEAD would like to thank all those who attended our D-Day Celebrations in June. We were extremely pleased that many who attended got into the spirit of the day and dressed up in 1940s attire. The day was hugely successful with all monies raised donated to 'Help For Heroes'. This was made possible by generous donations of which we

were extremely grateful for from Hix Oyster and Fish House, Furleigh Estate, Palmers Brewery and The White House Hotel in Charmouth.

We would like to invite all readers to our Summer Fete which will be held on Saturday 2nd August from 1-4 p.m. This promises to be a fun filled day all the family can attend with a BBQ, Bouncy Castle, Raffle,

Tombola, Stalls, Live Music and Games. We will also be visited by the 'New Forest Owls' at 3 p.m. when you will be given the opportunity to view the owls up close and to hold them.

All proceeds will be donated to 'Help For Heroes' in honour of the First World War Centenary and the 70th D-Day Anniversary.

## Fairfield House

At Fairfield House our deaf awareness training enables staff to understand the needs of our residents who find listening and communicating a daily challenge. Having a hearing loss not only brings communication difficulties but can lead to social isolation, frustration and anxiety. Around 70% of people over 70 and more than 90% of people over 80 are living with a hearing loss. At Fairfield House we have made many adjustments to the home to provide a better listening environment for our residents. We have many soft furnishings, our staff are conscious of background noise and we have quiet lounges which are more acoustically favourable. This training has been essential to meeting the communication needs for many of our residents and improved hearing aid use and management are part of the routine.

Our activities coordinator, Nicole Harris, has recently completed a seaside mural with the

help of residents, which has pride of place in the conservatory overlooking the gardens. Nicole is leading the activities team with stage-specific activities for residents with dementia. We aim to provide activities which are suit-

able and of interest to each resident. Many residents and their families are putting together their life stories, this is aimed at providing bespoke care for each resident bearing in mind past and present.

# Son Yambu bring the real sound of Cuba to Bridport

SON Yambu Salsa are headed to Bridport Arts Centre with their authentic 'Son Cubano' - a fusion of Spanish and African rhythms that is the root of all salsa music.

This is a group of musicians who are passionate about continuing the Buena Vista legacy that put Cuban music back on the map. Most of the band hail from Cuba and will be playing the Afro-Cuban music that originated in the streets of eastern Cuba at the turn of the last century.

On vocals, and minor percussion, Yuri is an accomplished international singer, having performed with the likes of Cachaito of the Buena Vista Social Club. She is a born entertainer, and aficionados have likened her to a young Celia Cruz. Also on vocals and percussion are Tony Danger and Jose Cascares both wonderful 'soneros' from Santiago De Cuba. The brilliant Manuel Alejandro Tellez on tres and backing vocals is another high-class performer.

Yambu's rhythm section boasts the extraordinary talents of Reynaldo Crespo

on Guitar, Oscar Vazquez Romero on bass, Rene 'Menique' Savigne on congas and Toby Herschmann on timbales. They're the force that drives the music along. And soaring above it all, there's the trumpet of virtuoso Victor Hechevarria who has toured world wide with several renowned Cuban bands and is an ex-member of the Santiago Symphony Orchestra.

Playing their irresistible tropical rhythms, they bring their audiences a

truly sensational, authentic Latin-music experience.

Sean Rafferty of BBC Radio 3 said: 'absolutely tremendous.... if you don't start to move to this there is no hope for you! Extraordinary music!'

Son Yambu perform at the Bridport Arts Centre on Saturday, August 9th at 8pm. Tickets: £12/£11/£10 from Bridport Arts Centre box office 01308 424204 or [www.bridport-arts.com](http://www.bridport-arts.com)

# Love Lego, kids? Help build a Brickosaur!

THIS summer, there is a unique opportunity for LEGO® fans to join in with two fantastic workshops in the Victorian Gallery at Dorset County Museum in Dorchester.

On August 12th and 20th, children between the ages of 5 and 11 can take part in special workshops at the Museum run by certified LEGO professionals, Bright Bricks. The sessions will be led by Ed Diment who will help the children create a giant mosaic of a Megalosaurus out of LEGO bricks. The events are being organised by the Jurassic Coast Museums Partnership to broaden access and understanding of museums and collections on the Jurassic Coast.

Jon Murden, Director of Dorset County Museum said, "These sessions will be great fun and are an opportunity to work as part of a group on a much larger scale project than you can at home."

When the mosaics are finished, participants will be able to get a bird's eye view of the whole scene from the Dorchester Gallery above. At the end of each session, each child will be given their very own Megalosaurus model to build at home - these limited edition models have been produced in very small numbers and are not available in the shops.

Each child must be accompanied by an adult at the sessions and the cost

is just £10 per child. Book in good time to secure your place on 01305 756827. There are two sessions on each day - 10.30am to 12pm and 1.30pm to 3pm. Don't forget - each child will also receive a special Megalosaurus model kit to take home.

Other museums along the Jurassic Coast will be running their own Brickosaur events over the summer - watch out for further details. For further information on the Dorset County Museum workshops see [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org).

# Dorset County Museum Runs Literary Fundraising Event

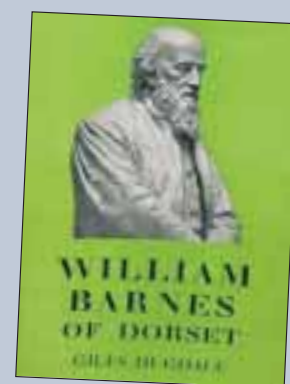

TRUSTEES and volunteers at Dorset County Museum in Dorchester are running a literary fundraising event on Saturday, August 30th.

The event is in aid of much needed refurbishment in the William Barnes Gallery - part of the Writers' Dorset section of the Museum. A proportion of the money raised will also go towards the purchase of a portrait of Giles Dugdale - an author and previous member of the Dorset Natural History and Archaeological Society which runs the Museum. The portrait was painted in 1923 by Wilfred De

Glehn, a distinguished British impressionist artist. This portrait, and accompanying collection of manuscripts, books and cuttings relating to William Barnes, are being offered to the Dorset Natural History and Archaeological Society from a private family collection for £3,000.

"Giles Dugdale played a key role in bringing the literary genius of William Barnes, Dorset's greatest dialect poet, to light," said Jon Murden, Director of Dorset County Museum. "He was also co-founder of the Museum and therefore his portrait is an important part of our Dorset heritage."

The William Barnes Society has already donated £500 towards the purchase of the portrait. It is hoped that the fundraising event on 30th August will raise the rest of the funds needed to keep the portrait in its rightful place in Dorset County Museum. The event will take place between 10 am and 3pm at St Peter's Church hall, High West Street, Dorchester on Saturday, August 30th. Stalls will include home-made produce and preserves, books and bric-a-brac, and refreshments will be available.

## Daisys' Café & Tearooms

A RECENT national survey revealed that when the British go on holiday at home, the overwhelming majority don't want to eat like Masterchef. Contrary to what fancy restaurants and clever chefs believe, when it comes to holiday meals most Brits taking a break in Britain simply want to eat traditionally.

And according to the CSM poll, their holiday favourites are:

1. Fish and chips [the top meal for 61%]
2. Bacon butties.
3. Roast dinner.

So it's lucky for those who come to Seaton, then, that Daisy's Café on Harbour Road is the mistress of all three.

Super-smart Lynne Derrick realised the preference for home-cooked, simple favourites when she opened Daisy's Café last year and concentrated on freshly-making what people want to eat. So that's a roast every Sunday lunch and fish and chips and bacon butties always available at all other times.

Consequently, Daisy's Café has become an instant hit with locals and its first summer is set to be a bumper one as visitors flock to the café and ice cream kiosk for every bit of what they fancy; big, tasty sandwiches, deep-filled jacket potatoes, all-day breakfast and all of the other proper British seaside treats.

All the food is fresh, locally-supplied and perfectly-prepared by Lynne and her team to eat inside or outside or takeaway for breakfast, lunch and tea – and cream teas here are a particular treat as Lynne bakes all the scones and cakes herself.

Daisy's Café, feeding the nation just what it wants.

## Tierra Kitchen

LYME'S first utterly-vegetarian restaurant has taken the town by storm since it first opened last year. The word-of-mouth reaction has been fantastic and rave reviews from diners have sent this meat-free miracle to rank it No 1 among the town's 63 eateries.

Vegetarians come in all sorts – and now Tierra Kitchen has caused the creation of a new category, moreish-vegetarian.

'I want to eat here everyday!' is the Trip Advisor review that is most-quoted of the Coombe Street restaurant as it perfectly sums up the feelings of many, especially non-vegetarians who are frequently astonished by the quality and vibrancy of the taste of the highly-original dishes and the creative twists on Spanish, French and North African flavours.

For instance, from the 11am – 3pm brunch/lunch menu, Mon-mouth Brunch Tortilla; three free range eggs, wilted spinach, parsley, cream cheese and Caerphilly cheese, served with triple-cooked chips, sun-blushed tomatoes and organic leaves.

For vegans, brunch can be even more deliciously inventive – like the Strudel of Swiss chard, chestnut mushrooms and roasted cashew nuts basked in filo layers and served with ginger pickled pears, those famous

chips and organic leaves.

Skipping to the dinner menu – with the mention that cake teas are also available 11-3 when the choice includes Tierra's near-legendary apple, orange and vanilla almond tart – and it becomes even more inventive: for instance starters of samphire fritters served with pickled cucumber and blueberries, or the no-less creative avocado ravioli with marinated fennel, toasted almonds, orange dressing and optional nettle and feta pesto.

For mains, little can beat the ingenuity of wet garlic and preserved lemon risotto, served with

slow-roasted cherry tomatoes, sugar snap peas and almonds with optional old Winchester cheese. Alternatively on the menu for which specials are created daily, there's Swiss tart tartin of home-made, all-butter puff pastry with Swiss chard, caramelised red onion and Emmental cheese, served with radicchio, apricots and Riesling sauce.

With desserts which include dark chocolate and hazelnut truffle pot with passionfruit puree, crushed hazelnuts and blood orange sorbet, you may very well want to eat here every day.

## The Kingfisher Inn

THE greedy march of chain pubs with their soul-less interiors, cheap beer, loud customers and microwave meals has done more to ruin the old English inn than Hitler's Luftwaffe achieved, but thankfully a few proper old taverns still exist – and The Kingfisher in Colyton is among the best of them.

The visitor looking for an unspoilt, traditional Devon pub where the hospitality is hearty need look no further than this 16th Century inn, easily found in the centre of the town. It's exactly like an old pub should be – traditional roasts on Sundays, meat raffles in the bar every Saturday, CAMRA-rated honest local ales, a beautiful beer garden and a rare place where you can still play skittles, darts and crib.

The Kingfisher is also the friendly home to great British pub grub – fish and chips that are said to be the best in the area, steak and kidney pie, chicken and leek pie, whitebait, stuffed mushrooms, baked salmon, sirloin steak, scampi, egg and chips and raspberry and apple pie are among the choices that are all freshly-homemade and come in large portions.

It is a popular spot with walkers and rave reviews of the welcome at The Kingfisher have come from as far as California. Typical is the thumbs-up from a recent visitor from Birmingham, who wrote: 'It's been a long time since we en-

joyed a simple, well-cooked pub meal and this pub does the job. We had scampi, chips, peas and salad and ham, egg, chips and peas and our meals were thoroughly enjoyable. The food was well presented – no attempts to be a gastropub or anything fancy,

just good, wholesome pub grub. We cleared our plates and we just wish that this pub was our local! We will definitely be back.'

A great find, a little Devon treasure and highly-recommended by all its patrons.

# Margaret Green Animal Rescue's Companion Dog Show and Family Fun Day

NESTLED in the heart of Purbeck is Margaret Green Animal Rescue's animal sanctuary and visitor centre. It is from here that the charity have been rescuing and rehoming animals since 1965. The charity is delighted to announce that their annual companion dog show and family fun day is returning to on Sunday, August 3rd.

Join in with all the fun between 11am and 4pm on the day and enter one of the seventeen dog show classes. From pedigree classes to novelty classes such as 'waggiest tail' and 'best MGAR rescue' there really is something for every dog! Dogs that have been rehomed from Margaret Green, also have the chance to qualify for Buckham Fair on the day.

You don't have to have a dog to enjoy the day! The charity has organised a full programme of stalls and attractions including a dog scurry, bouncy castle and kid's zone, band and Pimms tent. Visitors can also

enjoy something from the BBQ or refreshments stand.

The dog show is the biggest fundraising event in the charities calendar and they are urging people to come along and support them. Every penny raised will go directly back into caring for over 1,200 animals each year who have been rescued from abuse or neglect, have been abandoned or whose owners can no longer look after them.

The winning tickets for the Summer Grand Draw will be drawn at the end of the day, so it will be your last chance to purchase your tickets and be in with a chance of going home that day with a cheque for £500!

Entrance to the event is £3 for adults and £1 for children (aged 12 and under). Join in with all the fun at Margaret Green Animal Rescue, Visitor Centre and Sanctuary, Church Knowle, Wareham, Dorset, BH20 5NQ.

# Sidmouth Folk Festival celebrates six decades

FESTIVAL fans in Sidmouth will be celebrating six decades of the town's famous Folk Week, with events kicking off at multiple venues on Thursday.

Organisers have pulled out all the stops to mark the festival's Diamond Anniversary, and more than 700 events have been planned for the annual music extravaganza.

With performances ranging from headline concerts to intimate sessions,

festival bosses have aimed to provide something for everyone at this year's Folk Week, and organisers are promising a festival to remember for many years to come.

Alongside the music, there will also be displays and processions, workshops and talks, ceilidhs, social dances and much more.

Events get underway on Thursday evening with a pre-festival concert

from festival veteran Ralph McTell on the Ham, with other performances from Aly Bain and Phil Cunningham, Cara Dillon and Steve Knightley on stage over the weekend.

Concerts take place in the Ham Marquee at 12noon, 3.15pm and 8pm daily throughout the week, and there will be a string of top musical talent performing at the Festival Clubhouse at the Bulverton.

Carinas nightclub will also be serving up a series of shows courtesy of fRoots magazine, under the 'A Cellar Full of Folkadelia' banner, between 3pm and 5pm from Sunday through to Thursday.

High-energy evening ceilidhs have been lined up for each night of the festival at the Blackmore Gardens, starting at 7.30pm.

And the gardens will also be the hub

of the children's festival, with wall-to-wall workshops as well as concerts, dances and other entertainments for all the family.

The spectacular Folk Week 60th anniversary celebrations will be rounded off with a torchlight procession and firework finale on the Esplanade from 10pm to 11pm on Friday (August 8th).

For more information and full line-ups visit [www.sidmouthfolkweek.co.uk](http://www.sidmouthfolkweek.co.uk)

## Fantastic '64-plate' offers from Peugeot mean there's never been a better time to buy

- Special retail offers to coincide with September's new registration
- Attractive deals on PEUGEOT 108, 208, 2008, 308 and 308 SW
- High spec, strong residual values and manufacturer deposit contributions to drive demand
- All-new PEUGEOT 108 from just £89 a month

WITH one of the youngest new car ranges on the market, offering an appealing mix of sophisticated style and value for money, there's never been a better time to buy a PEUGEOT.

With the launch of the new 64-registration plate, the Brand's Dealers are bracing themselves for a busy August and September – and PEUGEOT have announced a range of attractive offers to further boost showroom traffic.

Thanks to the debut of the PEUGEOT 308 – the reigning European Car of the Year – as well as the continued success of the 208 Supermini and 2008 Compact Crossover, PEUGEOT retail sales are up 17.5% year-to-date (YTD), in a market that is 13.9% up YTD, compared with 2013. The arrival of the all-new PEUGEOT 108 in showrooms is expected to enhance Dealer performance even more, and strengthen PEUGEOT's visibility in the vital city car segment.

The all-new PEUGEOT 108, that characterful new urban runabout that went on sale from 1st July, opens a new chapter for PEUGEOT small cars. High on style, bristling with connected technology and fun to drive, it's available with a TOP! Cabrio retractable roof and takes personalisation to a new level.

Significant demand for the 108 will come via the brand's unique Just Add Fuel initiative (JAF), the three-year low-APR personal lease which rolls all the customer's monthly costs into one easy payment. JAF includes insurance, road tax, warranty, servicing and roadside assistance.

Industry experts also believe the 108 will hold its value exceptionally well, with CAP Monitor releasing a three years/30,000 miles prediction that's up 42% on the outgoing PEUGEOT 107. The result is highly competitive customer pricing. A PEUGEOT

108 Access three-door costs just £89 a month – almost £20 less than the equivalent 107.

Demand for the critically acclaimed PEUGEOT 208 shows no sign of slowing. With YTD sales of more than 10,000 units, it's currently the 5th best-selling retail car in the UK and ahead of some very reputable competition.

Proving particularly popular is the 208 Style, a high-specification special edition which includes desirable standard equipment such as satellite navigation, Cielo panoramic glass roof and rear parking sensors. It's available for only £169 per month. For performance car fans, there's the PEUGEOT 208 GTi, available on JAF for only £259 per month.

The versatile PEUGEOT 2008 offers an attractive combination of high specification, low Recommended Retail Price and competitive 5.9% APR fi-

nance packages. As an extra incentive for 64-plate customers, there is a £500 deposit contribution from PEUGEOT on Active trim level models and £650 on Allure and Feline.

The same APR and Deposit Contribution from PEUGEOT is also available on the PEUGEOT 308 and 308 SW. Demand has been strong for both models, leading to a 30% YTD increase in retail sales. The 308 boasts

class-leading engines, with CO2 emissions as low as 85g/km and fuel economy of up to 88mpg, giving it considerable appeal in the highly competitive company car segment.

Neil Moscrop, Director of Sales, PEUGEOT UK, commented: "In a retail market that is up almost 14%, our result is very impressive and we're delighted by it. We're looking to continue our retail growth in September and our

strategy for retail sales is very simple. We have very competitive list prices that are lower than the sector average for each of our models. We also have a higher specification than the sector average and we try to be transparent in the way we treat our customers."

For more information on all of PEUGEOT's summer offers and Just Add Fuel across the range, visit: [www.PEUGEOT.co.uk](http://www.PEUGEOT.co.uk).

## New Porsche Cayenne Underlines its Status as Sports Car Among SUVs

PORSCHE announces the new generation of the Cayenne, the key characteristics of which include sharper design, boosted efficiency and an extensive breadth of standard features. As a sports car among sport utility vehicles (SUVs), besides offering five seats and extensive features, the Cayenne offers a lot of room for a lot of driving fun; combining high performance and typical Porsche design DNA.

The Cayenne is a unique success story at Porsche. The company introduced the first generation in 2002, and made the idea of a sports car in the SUV segment a reality – and it set a new benchmark right from the start.

Sales have exceeded all expectations. Over 276,000 examples of the first generation Porsche Cayenne were produced (2002 to 2010), and around 303,000 units of the second generation, which was introduced in 2010, have been produced so far. Over this period, the Cayenne is not only boosting profitable growth at Porsche, it is also creating a solid economic foundation for investments in future generations of sports cars.

On sale now and arriving in Porsche Centres from 11 October, the new generation of the Cayenne will be launched in five versions: Cayenne Diesel, Cayenne S, Cayenne S Diesel and Cayenne Turbo. The highlight is

the Cayenne S E-Hybrid, which makes its world premiere as the first plug-in hybrid in the premium SUV segment. This model, together with the Panamera S E-Hybrid and the 918 Spyder super sports car, makes Porsche the world's only car manufacturer to offer three plug-in hybrid models.

A further development is the new 3.6-litre V6 bi-turbo engine in the Cayenne S, that was fully developed by Porsche. Overall, every Cayenne powertrain shows improved performance figures as well as better fuel economy than equivalent previous versions.

### Better efficiency

For Porsche engineers, boosting performance and efficiency are not incompatible nor contradictory goals.

Numerous individual modifications to the entire drivetrain have enabled all new Cayenne models to consume significantly less fuel, not least courtesy of the further advanced 'Auto Stop/Start Plus' coasting function.

Optimised thermal management has taken another step forward, with active cooling air flaps being used for the first time on the Cayenne. Located behind the middle air inlet and controlled by the engine management, they open or close according to the specific driving situation and cooling needs; this way they adjust the air volume that is available for cooling. When they are closed, they improve aerodynamics which reduces air drag and thereby improves fuel economy.

## Toyota reliability shines in Which? Car survey

- 2014 Which? Car Survey shows strength-in-depth of current Toyota range
- Auris and Auris Hybrid revealed as the most reliable models in the medium car category
- Verso named most reliable MPV
- Results secure Toyota fourth spot among the survey's best car brands
- Survey is officially the largest of its kind in the UK, sourcing opinions and experience from more than 49,000 motorists

TENS of thousands of British motorists have had their say on the quality of today's cars and they have given Toyota emphatic approval when it comes to reliability. The results of the 2014 Which? Car Survey, the largest study of its kind in the UK, show Toyota models across the board regarded as top performers when it comes to cars you can trust not to let you down, or cost you a fortune in repairs.

This year's survey took into account the ownership experiences of more than 49,000 British motorists to calculate which models are the best to own and the least likely to let you down.

The Toyota Auris and Auris Hybrid, both built in Britain, are star performers, being rated first and sec-

ond in the medium car category for reliability. Likewise, the seven-seat Verso is top-ranked among MPVs, while RAV4 is just shaded into second in the 4x4/SUV class. Yaris and Yaris Hybrid both achieve top-five placings and Avensis, another UK-manufactured Toyota, and Prius both figure strongly against their large car rivals.

These results clinched fourth place overall for Toyota among the survey's best car brands. Which? Car Guide says: "If you're looking for dependability, look no further than Toyota."

"The Auris medium car and Verso MPV top the reliability tables for cars up to three years old, but expect to see Toyotas dominating the table across all classes and ages."

Toyota's hybrid technology is reshaping the market, successfully moving from a niche powertrain technology to become a mainstream rival for conventional petrol and diesel engines. Which? Car Guide remarks on the "supreme durability" of the system in Auris, helping the model to its 95.8 reliability score.

Remember Yaris Verso? It hasn't been part of Toyota's showroom range for almost 10 years, but owners still adore this quirky but highly versatile car, so much so it still ranks as the survey's "most satisfying MPV to own" with a 92.1 per cent score.

President of Toyota (GB), Matt Harrison, said: "Once again, satisfied customers are proving powerful ad-

vocates for the qualities that define our brand. Their message is you can depend on Toyota for reliability, whether it is a car fresh from the showroom, or one that has already been on the road for three years or more.

"The achievement of Auris and Auris Hybrid is particularly rewarding for us, cars that sit right at the heart of the market and which represent the excellent quality of our British manufacturing. Of course reliability is only part of the owner-

ship experience and in our latest models – not yet figuring in the Which? survey – such as new Aygo and Yaris, we are also delivering greater rewards in terms of distinctive and desirable styling and a more rewarding driver experience."

# Tables turned as cup finalists crumble

### UPLYME & LYME REGIS 1st XI 70 ALL OUT LOST TO FENITON 1st XI 179 ALL OUT BY 110 RUNS

*Devon League 1st XI D Division*  
AFTER beating Feniton by 33 runs in the Corthinian Cup regional final on Monday Uplyme found themselves on the wrong end of the Devon League encounter between the same sides.

Asking Feniton to bat first Uplyme felt they did a good job in the field to restrict the home side to a below par score of 179.

Charlie Warner (3 for 33) and Nick Din-nison (1 for 24) were the pick of the bowlers.

Change bowlers Rhys Davies, Steve Batey and Paddy Barraclough also took wickets with the support of enthusiastic outfielding where five catches were snapped up.

Charlie Selly top scored with 61 for Feniton but although four other batsmen made starts they could not go on to really punish the visitors.

At tea Uplyme felt confident that they could reach their target but their hopes were shattered within the first ten overs when veteran bowler Francis Pyle and captain Brian Cann ripped through the top order leaving them in disarray at 11 for 5.

Not one of the top six batsmen managed double figures in what skipper Steve Batey described as 'the worst piece of irresponsible batting he had witnessed this season'.

Instead of digging in and building an innings batsmen went for their shots and paid the price with all ten wickets falling to catches.

Numbers 9 and 10, Paddy Barra-clough, 16 and Rhys Davies, 15 tried to restore some order to the proceedings with a stand of 32 but it proved to be too little too late and the innings closed on a disappointing 70 all out.

### UPLYME & LYME REGIS 2ND XI 127 FOR 2 BEAT KENTISBEARE 2ND XI 125 ALL OUT BY EIGHT WICKETS

*Devon League 2nd XI D Division (E)*  
ON the back of two good wins Uplyme entertained visitors Kentisbeare with confidence that the undefeated run in the second half of the season could continue.

Having lost the toss skipper Rod Holmes was asked to bowl first.

As it turned out this played into his hands as he had the bowlers to exploit a pitch with rather variable bounce.

Improving opener Wes Holmes bowled his best spell of the season taking two wickets for a miserly six runs in a six-over opening burst. This was followed up by another best for the season performance by 15-year-old Will Marshall who took 3 for 33 in his six over

spell.

Only opener Libby McCartney showed any resistance and having survived a dropped chance before he had reached double figures he went on to make a fine 62.

However, when he went the tail was mopped up by the spin of Harvey Brimicombe 3 for 6 and Daley Holmes 1 for 11.

Uplyme's reply started steadily with Dave Norman and Harvey Brimicombe playing watchfully but punishing the bad balls and picking up boundaries over a lightening quick outfield.

After drinks Brimicombe opened his shoulders and quickly moved on to his first half century for the club before being stumped for 53.

Andy Hazeldine bowled Derek Wellman for 10 but Uplyme never looked in trouble and Tim Daniel (19 not out) saw them over the line with Norman remaining undefeated on 38.

The win consolidates Uplyme's position in the top half of the league and prepares them for Saturday's tough encounter at second placed Whimple.

### Chance to Compete U13 County Cricket Tournaments

THIS year a new cricket initiative was introduced to secondary schools by the Chance to Shine Charity to try to boost the number of young people playing the game of cricket.

Chance to Compete is open to teams excluding county players. The format consisted of eight-a-side with seven players bowling one over each, the wicketkeeper being the only player not to bowl.

Played on a pitch with relatively short boundaries the objective is to hit sixes and fours and outscore the opposition.

The Woodroffe School in partnership with Uplyme & Lyme Regis Cricket Club entered two teams in each of the boys and girls competitions.

The boys team defeated Swanage in the West section and then went on to win against Cranborne, Blandford Forum, and The Bishop of Winchester School, Ferndown to become champions of Dorset and go through to the South West Regional finals played at Bristol Grammar School.

There they came up against teams from Wiltshire, Somerset, South Wales, Oxfordshire and Hampshire in some exciting games the team recorded two wins and two losses.

Unfortunately the final game was rained off leaving them placed 7th.

**Woodroffe team:** Max Helston (captain), Henry Rudkin and George Hussey, Felix Randsford, Rob Shepherd, Ben Prosser, Tristan O'Leary, Ben Plowden, Dominic Bernhardt, and Louis Morel.

Girls cricket in Dorset is growing in popularity and Uplyme CC recently hosted a West regional tournament involving two teams from Woodroffe, one

from Colfox, and one from Wey Valley and All Saints.

Woodroffe Year 8 team won through to the Dorset Games finals by the narrowest of margins over Colfox School.

They then travelled to Bryanston School where they defeated Bournemouth School for Girls by 10 runs and then lost to Parkstone GS by four runs.

As BSG had already beaten Parkstone this left the group tied with one win to each team. Woodroffe came out as winners by the fact that they had scored more runs and taken most wickets in their matches.

In the final they had another exciting match against Twynham School. They restricted the opposition to 55 runs and passed their total with one ball to spare. As champions the girls, like the boys went on to represent Dorset in the

South West Regional Finals.

They also played at Bristol Grammar School and they found themselves in a pool with Downend School, Gloucestershire and The Castle School, Somerset.

In an exciting first game the girls restricted Downend to 48 runs but came up agonizingly close just two runs short of their target.

However, they then scraped home by scoring two runs off the last ball over-come The Castle School and finish second in the morning sessions.

In the afternoon they lost to a school from South Wales and beat Arden Huish of Wiltshire to record 5th place overall.

**Woodroffe team:** Grace Croucher (captain), Izzy Minchell, Emily Bristol, Bencharat Moxham, Ella Rapley, Ella Merritt, Georgina Day, Pippa Moystyn, Daniella Scadding and Ruby Andrews.

# Captain's day is big success

CLUB captain Matt Searle held his CAP-TAIN'S DAY STABLEFORD and it was op-portune that his son Brad came in with 46 points an exceptional score to win the Juniors' prize from Dominic Beard-wood who too had a good score with 43 points. Leading lady on the day was Gilly Madill with 36 points.

Division One was won by Geoff Moss, 40 points from Jason Contreras, 39 points and Jim Allan 37.

All in all a very memorable, fun day, a big win for the club.

## Lyme Regis Bowls Club

# Relegation looms large

THE league teams continue to disappoint with the ladies being the pick of the bunch with a creditable four points against high fliers Blandford writes Paul Moffitt.

The championship side seem to be stuck on two points a match and will certainly go down if they can't produce at least one good win out of their last two games.

The second team came away pointless from their away game against Sherborne whilst the third string gleaned two points at home to Melcombe Regis.

The Club fared better in the friendlies, winning three out of the four games played, losing only to Chardstock.

On Sunday the club held their annual 'Frank Stone' trophy, playing host to teams from: Bridport, Crewkerne, Seaton, Sidmouth, Budleigh Salterton and Sherborne. The eventual winners were from Lyme, namely: L Broom, E Skeemer, P Stephens & M Heneghan.

In the 'Percy Baker' triples league, two teams from Lyme have managed to get through to the quarter-finals, W2 and W5.

Cricket - A View From the boundary

# King Cole put the skids under Dorchester

WITH STUART BROOM

DORCHESTER were sent to defeat by a combination of Garry King and Rich Cole as Bere Regis dented the county town's Premier League 2 title hopes and put Bere Regis firmly in with a chance of the play-offs.

The defeat saw Martinstown assume the lead once again with both sides meeting this Saturday to decide who finish top ahead of the play-offs.

Meanwhile Weymouth put their Premier League 1 title hopes in jeopardy by losing to bottom side Ferndown Wayfarers.

## Dorset Funeral Plan Premier League

**FERNDOWN WAYFARERS 217-8 BEAT WEYMOUTH 188 ALL OUT BY 29 RUNS**

WEYMOUTH crashed to defeat against bottom side Ferndown Wayfarers and put their chances of making the play-offs in jeopardy.

The hosts made a steady start having been asked to bat against some tight bowling from Dan Hutchens who conceded just 19 from his ten overs, but it was first change Dave Trotter (1-22) who made the breakthrough along with Simon Browne (4-44) with three wickets that reduced Ferndown to 70-4.

However Leigh Dunham (50) and Rob Bowering (41) dug in and added 88 for the fifth wicket before Browne dismissed the former.

Another useful stand of 42 developed before captain Kieron Womble (2-22) brought himself on and dismissed both Bowering and Robbie Stammers (17) with the score on 200; the innings closing on 217-8.

Womble opened the innings in reply but lost Jim Ryall (8) and Dean Janaway (9) to leave them 39-2.

Womble (53) mainly with support from Paul Payne (22) took the score to 119 before he was fifth out for a fine half century, after which wickets fell regularly with only Neil Walton (27) and Simon Browne (30 not out) really able to resist the home attack, and they eventually fell 29 runs short.

## Premier League 2

**BERE REGIS 192-9 BEAT DORCHESTER 184 ALL OUT BY 8 RUNS**

BERE Regis having appeared to have killed Martinstown's hopes of topping the Premier League 2 last week, returned the favour by beating Dorchester, who more than once in the game appeared to have the game won.

Skipper Dan Bely got the county town off to a flier when he bowled M King in the first over, and with Aussie Eamonn Scott (2-30) and James Dunham (2-34) each weighing in with a brace, Bere Regis slumped to 44-5.

However P Macklin steadied the boat along with S Hewitt, who whilst not scoring a single run, put on 34 for the sixth wicket.

G King (28) then joined Macklin and they added 87 for the 7th wicket before Macklin fell to Pete Moxom (2-38) for a splendid 81.

King continued the fight before Fergus Guppy (2-22) bowled him, leaving Dorchester a target of 193 for victory.

They had the worst start possible with Simon Mitchem was leg before to the first ball of the innings.

However when Moxom and Marcus Evans (40) put on 80 for the second wicket before Belt joined Moxom, at 157-2 it looked a formality.

Then disaster struck Dorchester as Moxom was dismissed for 57. Worse was to follow two runs later as the county town lost four wickets without scoring a run; G King (4-22) taking three before Belt fell to R Cole for 55 as they slumped to 159-7.

Although Dan Morris managed 14 before he was last man out, they were still eight runs short of Bere Regis' total.

**WIMBORNE & COLEHILL 2ND 92 ALL OUT LOST TO MARTINSTOWN 93-1 BY 9 WICKETS**  
MARTINSTOWN took advantage of Dorchester's slip to go back to the top

of Premier League 2 with this resounding victory.

Winning the toss captain Ed Nichols asked the hosts to bat and helped in getting an early breakthrough when he caught opposing skipper Darren Jones off Ross Stewart with just six on the board.

Chris Read then opened his account two runs later having Jon Wilton (6) caught by Stuart Fry.

Ashley Collison (25) and George Dickson (22) appeared to have steadied the boat but when Read dismissed the former and Jeff Stratton (0) in quick succession to leave Wimborne 52-4 they moved in for the kill.

Ryan Chase (3-22) then grabbed three, and when Read (5-30) completed his "fifer as Wimborne were dismissed for 92.

Dave Herbert (26) and George Pope (29 not out) gave Martinstown a solid start and after the loss of Herbert, caught and bowled by S Nye with the score on 48, Sam Kershaw (24not out) helped Pope to their target with 20 overs to spare.

## County Division Two

**Bournemouth 3rd 130 ALL OUT LOST TO CATTISTOCK 271-6 BY 141 RUNS**

THIS game was played at Cattistock due to fixture congestion at Chapel Gate.

Winning the toss the hosts soon lost Mike White (9), but a second wicket stand of 80 between Jon Legg (36) and Dave Baggs (43) picked up the pace.

Steve Tucker hit 38 before an unbeated 7th wicket stand of 96 between Billy Walbridge (62 no) and Pete Hammond (31no) saw Cattistock post a good score of 271-6.

Brad Damon (3-50) took the first three wickets to fall to leave Bournemouth 59-3, but after a slight recovery, it was the introduction of left arm spinner Legg that quickly brought an end to proceedings as he nabbed a "fifer" with 5-26 from seven overs.

## WEYMOUTH 2ND 116-5 BEAT BEAMINSTER 110 ALL OUT BY 5 WICKETS

ANOTHER average showing with the bat cost Beaminster in this game. Captain Ade Phillips lost the toss and his side were put in to bat.

Opening bowler Graham Puckett (3-28) bowled with great control and set the tone by dismissing Jack Walklett in the first over for a duck. Weymouth continued to take wickets, the only substantial partnership worth 48 coming from Richie Runyard (24) and Fred Everitt (19). Beaminster's score was given some level of respectability thanks to a last wicket partnership between Hugh Rathbone (25) and Brian Earl (8 not out), adding 35 to help Beaminster to 110 all out.

Andy Jones was the pick of the Weymouth bowlers, finishing with 4-36 from his 10 overs.

Despite only a small target to defend, Beaminster showed a good level of determination and fought well in the field, taking five wickets as Weymouth reached their target within 27 overs. Ade Phillips struck early, removing the opposing captain Pete Gordon (5), and them Tom England for 15. This brought M Jones to the crease who batted aggressively in his match-winning knock of 56 not out, striking four 4s and four 6s. He was supported well by Andy Jones (17) and Ryan Sers (16).

The leading light for Beaminster with the ball was Will Everitt who claimed 2-38 from nine overs with the other wickets going to Ade Phillips (2-55) and Jack Walklett (1-22).

target in 37 overs.

## County Division Four

**LYCHETT 61-0 BEAT PORTLAND RT 2ND 57 ALL OUT BY 10 WICKETS**

## County Division Five

**MARTINSTOWN 2ND 140 ALL OUT LOST TO CHARLTON DOWN 141-5 BY 5 WICKETS**

MARTINSTOWN won the toss and batted on a hot afternoon but ended up losing the local derby by five wickets.

Ollie Osborne (17) and John Stewart (7) batted patiently and with good technique putting on 28 before Stewart was out leg before, quickly followed by Colin Crosswaite (9), caught behind by Rob Deadman both off the bowling of Rich Fagence (2-30).

Osborne's hour long stern resistant was finally ended with a great catch by Jae Miller at silly mid on off Sam Roles with the score on 68-3.

Mark Woodward (22) and Rich Nichols (23) decided the best form of defence was attack, and soon had the score board moving with some hefty blows to the boundary. However the introduction of Pete Tucker soon changed the complex of the game, taking two wickets in two balls.

Nick Voss (2-14) then removed Nichols, caught at mid off by Miller, and then bowled Morrissey (11). When James Pretty (1-12) trapped John Pickering leg before, Martinstown had collapsed from 95-3 to 116-8. Debutant John Pochribniak then bowled Tony Jacobs (3) with a lovely fast leg break and Roles picked up the final wicket to bowl Martinstown out for 140.

Charlton Down's innings started brightly 26; coming from the first three overs; but debutant John Pickering snared Miller leg before, and when Roles (24), who punished some wayward bowling, was well caught by Morrissey it left the score on 42-2 in only the fourth over.

Javed Gill and Luke Voss added another 40 runs before Gill chopped the ball onto his stumps off Jacob, and Crosswaite then bowled Stevens with a full delivery on 94-4.

It was then left to the Voss brothers to knock the ball around the ground and take Charlton Down to victory in the 24th over.

Luke Voss deservedly brought up his 50 with an elegant cover drive and remained unbeaten on 59 in his hour and a half stay at the crease.

Captain Tucker said "It was great to see both local teams fielding over half their side with young talent.

"Ollie Osborne and John Stewart were the stand out young talent for Martinstown, and Luke and Nick Voss and Matt Stevens and Sam Roles for Charlton Down.

"On a very hot day I was impressed by

the pressure the bowlers put on each batsman, backed up by some great fielding and the order for some positive batting which made us able to chase down the target with reasonable ease.

"We will be looking to win of our remaining four games to secure promotion into Division 4".

## County Division Six

**BEAMINSTER 2ND 285-8 LOST TO MARNHULL 2ND 296-2 BY 11 RUNS**

BEAMINSTER 2nds, without a victory all season, would have expected a tough time against Marnhull 2nd's who boasted an opening partnership of former Dorset player Barry Lewis and Chris Ralph.

With only three bowlers aged over 20, they battled hard, but as expected the pair were dominant and raced through a century partnership before Ralph fell to a catch by Leo Gurd off the bowling of Ollie Boxall for 51.

Captain Justin Gurd then bowled Charlie Cassidy for five, but Lewis continued his onslaught to carry his bat for 169 not out, as they amassed a huge 296-2 in their allotted 40 overs.

It seemed a simple task for the visitors to secure an easy victory, but experienced Dave Penman and the lethal Dean Hyett had other ideas as they sent the Marnhull fielders scurrying to all corners of the Memorial Playing Fields. Hyett hit 90 from just 45 balls as the pair put on 130 for the first wicket.

With Penman in fine form at one end, all the Beaminster batsmen made good contributions as they edged closer to their target.

Penman was finally dismissed for a superb 110, and with three over left Justin and brother Leo Gurd needed 25 for victory, but could only muster thirteen.

The skipper said: "It was a superb effort by everyone. Obviously we suffered in the field against two experienced batsmen like Lewis and Ralph, but everybody stuck to their guns and we didn't give up in the field.

"Dave Penman and Dean Hyett gave us a really good start in reply and everybody chipped in with some runs.

"To get as close as we did was a fantastic effort by all the team."

# Cattistock get the cream

CATTISTOCK Cricket Club won the Dorset Funeral Plan Cricket League Team of the Month award for June after scoring a huge quantity of runs.

The County Division 2 team beat their club record when they posted 348 against Bournemouth3rds, then the following week topped that with 362 against Wimborne and Colehill 3rds.

In that game Steve Tucker scored a massive 158, which included 17 sixes, bringing up his ton off just 33 balls and all but four of his runs came in boundaries.

Skipper Ben Golledge said: "We broke a club record two weeks running and amassed huge scores against good sides and decent bowling.

"Against Wimborne and Colehill our scorer was complaining because he ran out of room in his scorebook.

"We've been lucky that many of our batsmen have been in form; in two weeks in June we had four centuries."

Nick Douch, from the sponsors, said: "This was a well-deserved award because of the huge scores they posted in June."

The team received a bottle of bubbly and a trophy and every player was presented with a medal.

Pre-season football news

WITH STUART BROOM

# Magpies back to form but Bees battle well

**Bridport 1 Dorchester 5**  
BOTH managers declared themselves happy after Dorchester Town, recovering from the drubbing against Bournemouth four days earlier, had hit five past Bridport to help restore their confidence.

The Bees on the other hand can be buoyed from the fact that they proved stiff opposition for their more senior visitors, particularly in the first-half, and continued their good pre-season preparations; had they not tired in the last 15 minutes, the result would have been closer.

Both sides fielded near full strength sides, and it was Sam Lanahan that had first sight on goal after making space for himself after 12 minutes, but his shot hit the covering Shane Evans.

Alan Walker-Harris, who has been so outstanding in the previous two matches for Dorchester, almost gifted the hosts a goal on 20 minutes when his miscued clearance found Tom Richardson 25 yards from goal, but his effort cleared the right hand angle of the goalframe.

On 28 minutes Jake Smeeton's trusty left foot found Dan Smith who fed trialist Will Agbo and he slid the ball past Sam Filkins to put Dorch ahead.

Six minutes before the break, Matt Morley's pace left Tony Rolls for dead, but his angled shot struck the crossbar.

Then just before the break Dan Wise had a great chance to level but he snatched at a cross and fired his shot well wide.

The first-half ended with Smith, who was a constant threat throughout, blasting the ball just wide of the

post from 20 yards after it had come back off a defender.

Both sides made a number of changes at the break; and one of them Dan Munday combined with Nick Crittenden just before the hour to cross from the right byline for Ben Joyce to rifle a 15 yard low drive past Filkins to double the Magpies advantage.

Adam Symes got free of the Dorchester defence but his shot was turned over by substitute keeper Ryan Murphy as Bridport went looking to get back in the game.

On 68 minutes they got one back when Ryan Dovell's perseverance paid off when he took advantage of some slack defending by Nathan Walker to nudge the ball over the line.

Both Jamie Symes and Jamie Filkins had chances to level the score, but two goals in as many minutes for the Magpies killed off the game.

First sub Jack Twyford and Smith combined to play in Agbo who neatly turned 15 yards out, and drove his shot under Sam Filkins, before Smeeton showed how deadly his left foot can be two minutes later with a superb curling 25-yard free-kick into the top corner.

Smith, who along with Joyce, were superb for the Magpies, added a fifth on the whistle when he passed the ball into the bottom corner after playing a neat one-two.

Both managers were satisfied with their teams display after the game when they spoke to **View Sport**.

Bridport boss Trevor Senior said: "I thought in the first-half we were on top and had chances to go in front. I thought it definitely was a penalty.

"The first-half goal through the middle was disappointing, but I thought we created a lot of chances.

"Matt Morley hit the crossbar and then I thought he could have taken the ball on a bit further instead of hitting it from long range, and Dan Wise should have scored at the back post.

"We passed the ball most of the time and were in their half, but about 10 minutes before half-time Nick Crittenden moved into a central position and started to pull a few strings.

"I think the overall thing to come out of the second-half was the quality of finishing. Take away the score, until 15 minutes from time we were only 2-1 down and pressing for an equaliser. But the third goal took the pressure off."

Magpies manager Phil Simkin was pleased with his sides response following the Bournemouth game which he admitted had dented his players' confidence.

"I'm pleased we have played well, and pleased to have won after the pressure we all felt from Saturday," he said.

"Before the game, I just said to the players that the football fraternity in this area and further out would be looking at us to see how we reacted, and we reacted very well.

"On a difficult surface against what is always a competitive side, I thought we played some exceptional football. "Dan Smith and Ben Joyce were different class; they were on a different planet altogether.

"I was delighted we scored a few goals and I thought Will Agbo in midfield was excellent.

"You can see he has been at a pro club, he gets it and passes it."

## West Bay Sea Angling

### Consistent Herbert takes Jurassic title

DARREN Herbert's consistency proved vital in winning West Bay Sea Angling's two day Jurassic Open Boat Match. Despite poor fishing where a strong westerly wind hampered efforts together with strong tides, he led after the first day and maintained his challenge on day two with a third place finish to win overall by some distance.

Thirty-eight anglers signed in over the two days, but with species limited to prime edible fish for the first time helping conservation, it did mean several anglers had nothing to bring to the scales. Fish that were weighed in included bass, pollack, bream, mackerel, rays, plaice, cod and bull huss; all good eating fish.

Day 1 result: 1st: Darren Herbert 121 per cent; 2nd: Rod Barr 101 per cent; 3rd: Cliff Rooney 92 per cent. Most species Herbert (4)

Day 2 result: 1st: Gerry Sage 114 per cent; 2nd: Mike Smith 109 per cent; 3rd Darren Herbert

## Jurassic Coast Run to return next year

AFTER the positive feedback from participants and the success of the latest Bridport Jurassic Coast Run, the organisers the joint organisers of the event; the Bridport Leisure Centre, Brit Valley Rotary Club and Bridport Runners; have decided to run the race again next summer on Sunday, July 12th, again at the Bridport Leisure Centre.

With nearly 130 runners in three different races, this year's event saw 78 runners alone competing in the 10K race which led them up the second highest hill on the southern Coast of England, Thorncombe Beacon.

Meanwhile, participants in the 5K run which also included the Jurassic Coast from Eype to West Bay, especially praised the beautiful scenery as well as the organisation of the whole event.

The new one mile race for the under 12s saw 18 boys and girls between five and 12 years compete in a fast and furious competition, in the field behind the Bridport Leisure Centre.

Winner in the 10K was Paul Jefferson from Bristol in 50:21 min, fastest female runner was Francis Johnson (58:55 min.). The fastest veterans (over 50 years) runners were Bridport Runners' own Clive Whaley (55:14 min.) for the men and Frances Anderson (1 hour 55 seconds) for the women.

In the 5K race, Harrison Yarnold defended his title as fastest male runner from last year in 25:24 min, while the fastest female runner on the course was Georgie Clarke (30:53 min.). Fastest male veteran was Graham Symes (33:27 min.), fastest female veteran, Zodwa Chasokela (43:25 min.). Finally, the winner of the one-mile race was Olivia Willmore in 7:23 min, second was Alex Fish in 7:36 min.

### Bees shine against lofty opposition

#### Bridport 2 Frome Town 2

BRIDPORT gave a good display against Southern Premier League side Frome Town at St Mary's on Saturday writes *Stuart Broom*.

Despite it being a pre-season friendly there appeared a distinct lack of edge in the visitors play for most of the game and apart from the goals, Bees keeper Sam Filkins was only really tested once in the 90 minutes.

Bridport set the tempo from the start on a bumpy pitch, and with the visiting defence looking very uncertain, took the game to the opposition.

The first real shot of note was on 16 minutes when Ryan Dovell's 25 yard left effort went just wide of the post.

The match was temporarily abandoned on 19 minutes when a spectator was taken ill close to the pitch which needed medical attention.

Fortunately the supporter recovered after treatment from both club officials and players and a paramedic,

but it led to a 35 minute delay.

Within a minute of the resumption, Bridport were awarded a penalty when Dovell was dragged to the ground by Mark Cooper. The striker got up to send keeper Darren Chitty the wrong way from the spot.

This seemed to fire the Robins and they started to put some passes together. They equalised on the half hour when full back Kris Miller scored with a shot-cum-cross.

Following a run down the right he was tackled by Sean Stewart as he went to kick the ball. Whether it was an intended cross or shot, the ball appeared to take a slight deflection as he was tackled and the ball looped over Filkins' head and dropped just inside the far post.

However, Bridport regained the lead three minutes from the break when Chitty turned Stewart's angled shot away from goal. The ball ran to Jamie Filkins whose thumping shot from the corner of the penalty area

rebounded off the near post to Tom Richardson who neatly controlled it before driving it back into the net.

Filkins' only save came within seconds of the restart when substitute Luke fired in a low shot that the Bees keeper turned away, but as the game advanced Bridport looked comfortable against their more senior opponents.

They were a touch unlucky therefore to concede an equaliser, although it was a well taken goal. A diagonal ball found Aaron Rodrigues on the angle of the penalty area, and he neatly brought the ball down before turning inside Matt Condliffe and firing his shot under Filkins.

Manager Trevor Senior was pleased with side's performance.

"It was a very good game and I was pleased with how we played. Considering they are a couple leagues above us we showed some good touches particularly in the first half when we dominated the game."
